CONTACT

My wife Kay's picture was printed recently in the *Contact* section of *Escort*. We had a lot of replies, but the most

they'd known each other years. As the evening wore on they got very tipsy, showing us fellas more and more leg and cleavage.

After dinner all four of us went to the lift and kissed and cuddled whilst travelling to the fourth floor. **We found out that our wives had taken their knickers off in the ladies and were eager for swapping.**

We all went to our room, opened the bar and the girls were laughing and began to put on a lezzie show for us. We joined in before too long and **were stripped and kissing, groping and eventually fucking in a foursome.**

When we grew tired, we split up, Kay with Ernie, Rosie with me in our room. We kissed and cuddled,

over the settee in their room while Ernie had Kay up against the wall.

We had what we like to call a perfect foursome and we still keep in touch. S. and K., Suffolk.

SWEET ON INGRID

This is my girlfriend Ingrid. It is Ingrid's fantasy is to be in this wonderful magazine so that all those sexy women and men can get turned on by her photos.

She would also love to have a hot sweaty session with three well endowed men and see if they can keep up with her sexual demands. Rob & Ingrid, Holland

NOOKIE WITH NIKKIE

You printed some photos of my wife, Nikkie, and a letter about her bonking her boss in Vol 14 No 4.

About three weeks after *Escort* came out, I was having a drink in my local with a friend of ours, Steve. He had seen the photos and asked if the letter was true. I said it was and he said that Nikkie's boss was lucky as he had always fancied Nikkie. I started to think that we could have a threesome so I rang Nikkie at home and told her what had happened. She said that she quite fancied Steve and I should bring

him home. As the pub was closing I invited Steve home for a drink.

When we got there Nikkie was sitting on the settee with just a black silk wrap on. She told Steve to sit next to her

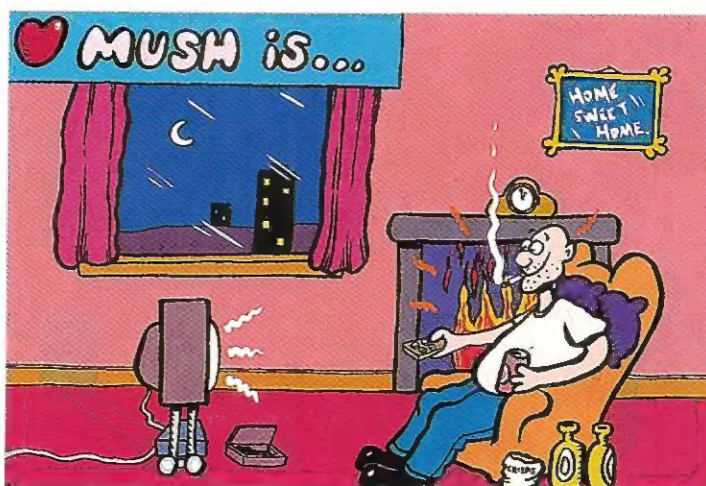

promising couple we heard from were from Cornwall.

We wrote to each other, enclosing photos, graduated to telephoning and finally arranged to meet in a hotel about halfway between Suffolk and Cornwall. That evening, **Kay was dressed to kill wearing her most revealing outfit, complete with the regulation stockings and suspenders, low cut bra, and shaven fanny!**

We met the other couple in the bar and the ladies were getting on as though

groped, played and made love all night.

Breakfast was the end of our session, but not before we swapped once more, I took Rosie from behind

CLAIRE COMES

My wife and I have been *Escort* readers for about five years and we absolutely love it – most of all the *Readers Letters*. That's why I felt I had to write in and share an experience that happened to us about a month ago.

I've always had this fantasy about watching Claire getting shagged by another bloke, so when she was getting ready to go out with the girls one night I hinted to her about doing something. She looked fabulous: tight black number with her sussies, black stockings and high heels. She knows how much I love her to wear them: it always gives me a hard on. She

kissed me goodnight and gave me a cheeky smile and a little wink as she went out the door. I'd got some cans in for the night and settled down to watching a couple of blue movies.

Claire came home at about 11.30 but she wasn't alone; she'd brought this bloke with her. His name turned out to be Tony and she introduced me as her brother. To make things easier, after about half hour I said I was off to bed. I left them to it for about 20 minutes then quietly crept halfway down the stairs where I could see straight through our living room.

Claire had just her stockings and suspenders on and was laying on the couch with Tony licking her pussy as though he hadn't eaten in a month. **I got an instant hard-on and started to wank as Tony licked away at Claire's clit, poking his tongue in and out of her cunt. What a fucking sight!** I could tell she was getting close to coming because she grabbed hold of Tony's head and began grinding her pussy into his face. She started crying out and I could see her shuddering

as the orgasm went right through her body.

Tony then turned her over and started to fuck her doggy fashion, **he grabbed her swaying tits and pumping in and out of her dripping pussy.** The

sight of this became too much and I couldn't control myself any longer. I shot my load all over myself and

the stairs, but rather than go and clean myself up I just couldn't take my eyes off this beautiful sight.

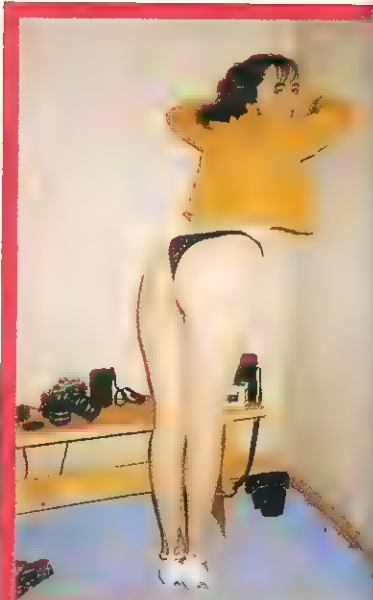

Tony said he was about to come. Claire reached behind her and cupped his balls in her hand. **His face creased up as he started to fill her cunt with his spunk and once again Claire started to orgasm. I could see his spunk running down her inner thighs.** Then they both collapsed in a heap on the couch. I crept upstairs, cleaned myself up and went to bed.

Claire came upstairs about twenty minutes later. Tony had asked to spend the night but Claire said no, saying she had to be up early. I could still smell their sex on her when she came to bed, which triggered

another hard-on for me, and we had one of the best fucks we'd ever had.

I don't know if we'll ever repeat the experience but, if we do, I want to reverse the experience so that I bring a woman home and let Claire sneak down the stairs to watch me shag the arse off a perfect stranger. If we do, I'll write and share the good time we have. *M.F., Coventry*

PENNY DROPS HER TOWN

Here are some photos of my 30-year-old wife Penny taken by me and three friends from the local camera club in Gloucester. There's a little story behind them which is Penny's favourite sexual experience.

I had joined a small local camera club and Penny had been with me a couple of times. One of my friends used to call for me on the way to the club and he kept saying to Penny that she should let us photograph her as the club model they have is rather plump and getting on a bit. Some

Take your wife on transparency film and send us her pics! Good amateur photographers can earn the same rate as the professionals.

of the others had also suggested Penny model for the club. Penny said that she couldn't do that and besides what would the neighbours say?

But I noticed over the next four weeks that when Tony came round to call for me **Penny was wearing shorter skirts and blouses with no bra underneath, sometimes vaguely showing her nipples through the fine material.**

When Tony next came to call for me, Penny was in the shower. She came down fully made-up and with only a towel wrapped round her. She offered to make us a cup of tea. Tony could not keep his

eyes off her and nor could I as she made the tea most unconcerned. Tony asked if he could take a couple of quick photos. Penny said, 'What, like this?' Tony replied, 'No, without the towel!'

She was very shy in front of us at first but after a couple of glasses of wine soon got in the mood. We started with lingerie first and eventually she went naked, even opening her legs after looking at some *Escorts* for inspiration.

Now she poses regularly for me and my mates. *Penny & M., Gloucester.*

DANCE OF THE 7 VEILS

The firm my wife works for organises several weekends away for staff and their partners. A few weeks ago they organised a trip to Blackpool to coincide with the illuminations with a fancy dress party on the Saturday. We decided to hire the costumes, myself going as an Arab and Wendy in the costume for the Dance of the Seven Veils: a fancy purple cropped top, with a wrap around and slightly see-through skirt.

As the evening came to an end, people started drifting back to their rooms until there were just about four couples left,

including ourselves. The ladies decided to leave the men to finish the whiskey we had won in the raffle.

After a few minutes

Wendy reappeared as she had forgotten to take the room key with her. Her boss pulled her onto his knee and asked her why she hadn't done the Dance of the Seven Veils for them. Her other two male colleagues also egged her on. She decided that if it was alright with me she would give them a sample.

Wendy stood in the centre of the dance floor and started to remove the top in very teasing manner. She moved towards her boss and asked him to undo the buttons on her skirt, letting it fall to the floor, leaving her in just knickers and bra. Wendy looked at me to see if she should carry on. I could see she was getting really turned on by all the attention and looking at the bulge in my trousers gave her the answer. **She started running her hands up and down her boss's legs until she reached his prick, which she slowly massaged until you could see the bulge in his trousers.** She repeated the process on Tony, Peter and myself until we all had massive hard-ons sticking out of our trousers.

She asked Tony to unclasp her bra, letting it fall to the floor, then asked Peter to remove her knickers. He peeled them slowly down, leaving her stark naked in front of us.

Wendy sat on the floor with her legs wide open so we could see her juicy fanny. By now she was really worked up and loving every minute. **She motioned to her boss to join her and started to unzip his trousers.** As she pulled them down, his erect

cock sprang out. Wendy took it in her mouth while his hands shot to her fanny and began to finger it.

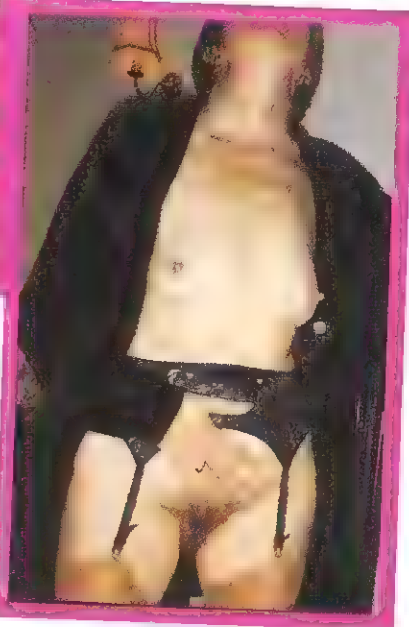

She eased back onto the floor and pulled him down on top of her, guiding his dick into her wet fanny. All we could see was his bare bum going up

and down until Wendy moaned out in a climax. He withdrew and shot his come all over her. She rolled over onto her front and lifted her bum in the air and started to thrust it up

and down, whilst working her fingers in and out of her fanny, inviting the other two to fuck her from behind. In no time Peter had his prick in her mouth whilst Tony pushed his prick up her fanny as he played with her tits. **They took it in turns, first putting their pricks up her then having them sucked off until they could hold back no longer, spurting over her body.**

Feeling sorry for me watching while she was enjoying herself, (she didn't realise how much it was turning me on), she undressed me, taking my hard prick in her mouth and started to suck it off eagerly, but I had to remove it before I shot my cum. **I turned her over and gently caressed her, kissing and tonguing her all over her body, inserted my prick into her fanny and pumped away until we both reached the best climax we've ever had.**

We were exhausted by

now so the evening came to an end. Wendy was a bit apprehensive when we got back to our room, as she had not done anything like this before, but who could complain after watching her being taken by three men?

When she went into work on the Monday nothing was said, except the boss asked her if she would repeat it at the next outing. She said he would have to wait and see! *M.D., Lancashire*

over a bench, Nick hitched my skirt up and in one go shunted his prick right up my aching cunt—making me nearly come right then I was so desperate to be shagged! He banged into my arse for all he was worth pounding me mercilessly with his rock-hard cock. We must have looked a sight, both of us fully clothed, Nick in a business suit with his flies open and his big dick out, my tight skirt fucked round my waist and my knickers straining round my thighs.

Nick reached round and grabbed my tits, groping them roughly through my blouse as he ground his groin into my bottom, savouring the feel of my pulled-aside panties rubbing against his skin. The rasping of his trousers against my exposed arse was like having another pair of hands on me.

With a grunt Nick fucked his spunk up me, pulling his jerking cock out to shrug the last few spurts over my bum cheeks and panties, while I used his sperm to quickly

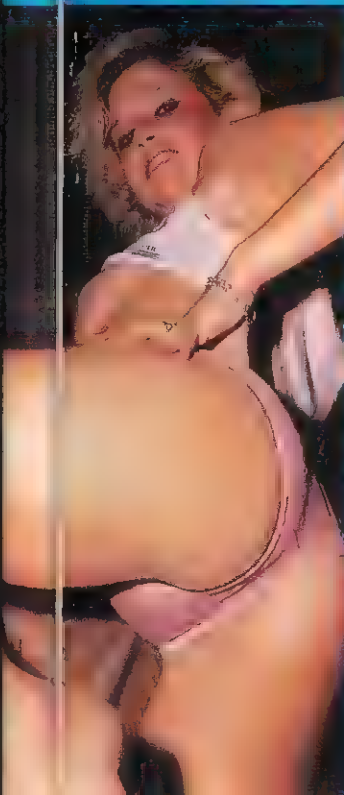

frig myself to a shuddering orgasm.

Within seconds we'd cleaned ourselves up and looked totally respectable again.

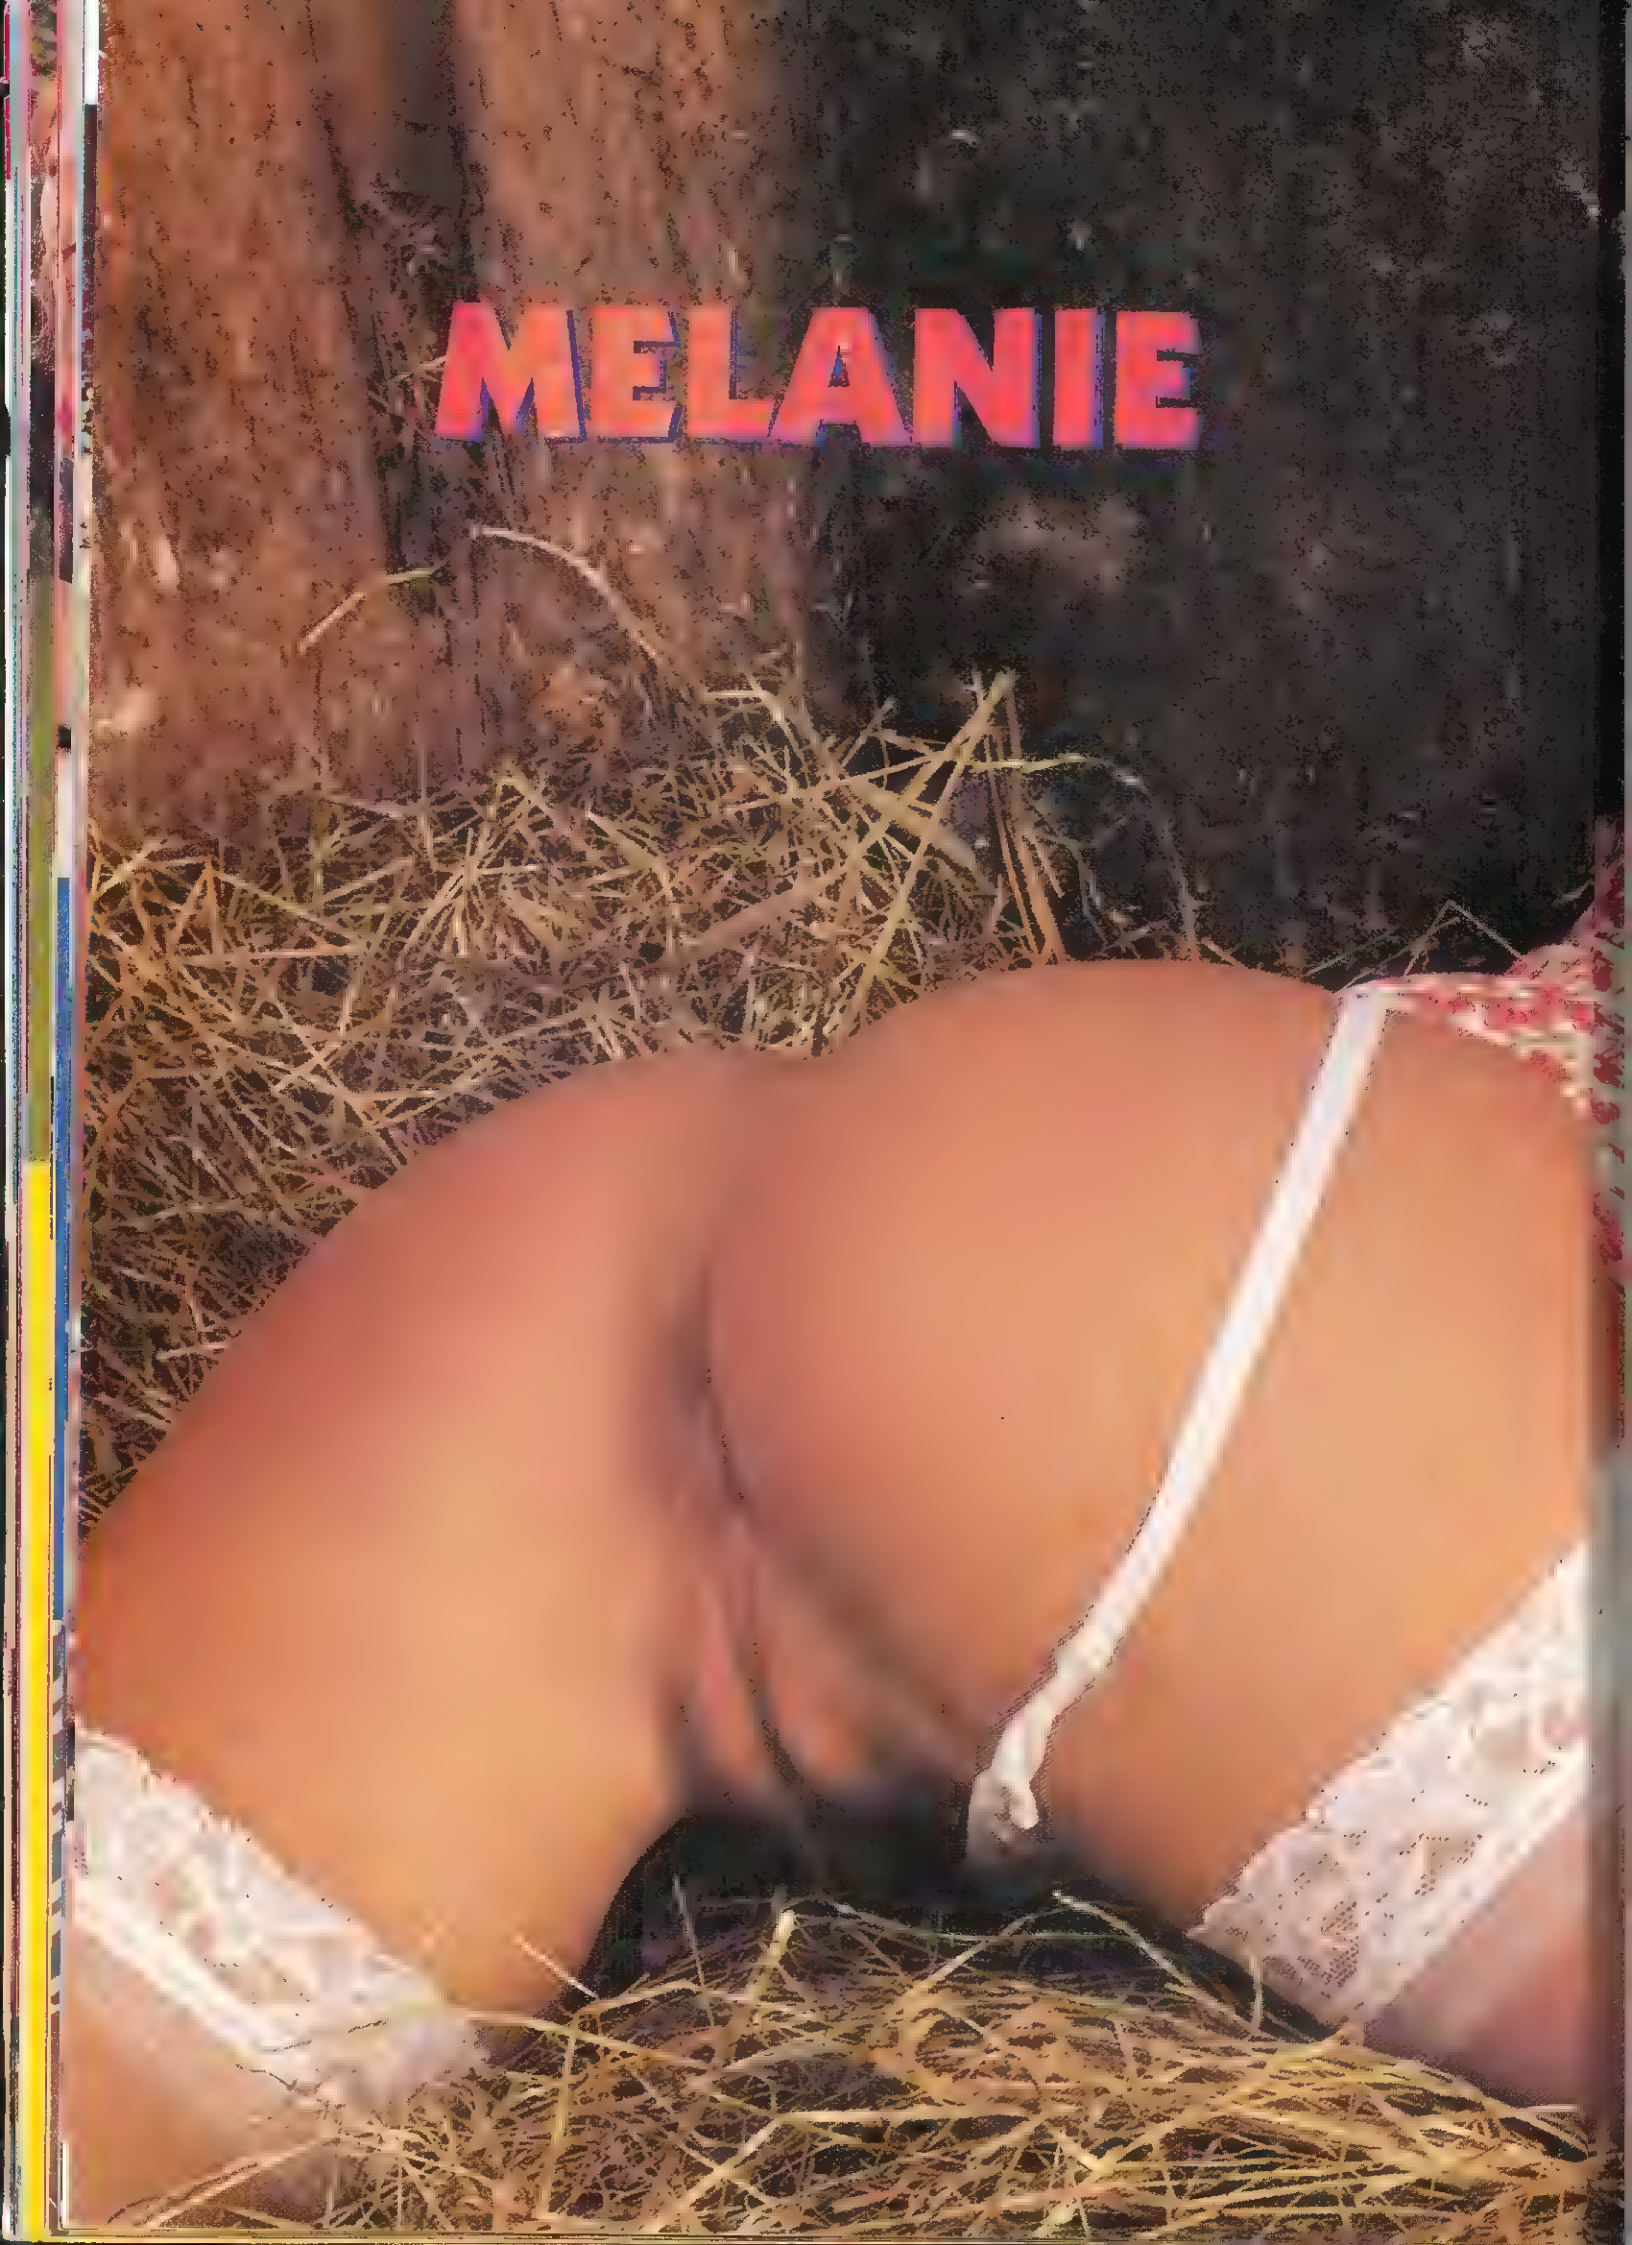

After that experience I can safely say that sex for me and Nick will always be worth getting dressed up and going out for

A FRIEND IN NEED

I thought I'd write and tell you all of the most thrilling sexual experience of my life which still leaves me wanking and wanting more. My wife Lisa and I had spoken about the thought of me watching her have sex with another man several times before and the thought even now makes my cock twitch.

One Thursday night after a good session in bed we decided that I would ask

my mate Chaz to video us having a good fuck. I phoned him, took several deep breaths and popped the question: "Would he like to film me and Lisa having it off, then join in shagging the arse off her?" After what seemed an eternity, he said yes and we fixed it for the following Saturday evening.

On the Saturday afternoon Lisa pampered herself in the bath (and had a wank, I suspect) and shaved her cunt to a small bush. When Chaz arrived we shared a beer and broke the ice by playing strip poker. After about three rounds of cheated hands, Lisa was as naked as was I, while I was sporting a fucking great hard-on.

I invited Chaz to kiss her and asked Lisa to stroke his cock. One of his hands was fondling her tits and I could see the other hand playing with her wet and pouting cunt. By now Lisa was tugging at Chaz's zip and his hard-on suddenly popped out. It was a good two inches longer than mine and I could see the mixed look of fear and anticipation on Lisa's face.

I lay down beside her and began to massage her clit while Chaz stripped off.

Chaz and I then took a breast each and started to lick and suck each nipple. Within minutes Lisa came and, feeling close to exploding point myself, I decided to hurry things up. I parted Lisa's legs and invited Chaz to enter her. Climbing on top of her,

legs open wider and her bum rose and fell to meet his thrusts, the lips of her vagina tightening around his cock with every movement. Unlike in the porno films, his arse tensed and I knew he was about to come. He got off when he did and I looked down at his curved member and saw a mixture of his come and Lisa's juices. I started to lick her out and could not believe the fantastic taste of his come and her juices. I had to enter her, which I did, but I was so excited it took only twenty strokes for me to fill her up again.

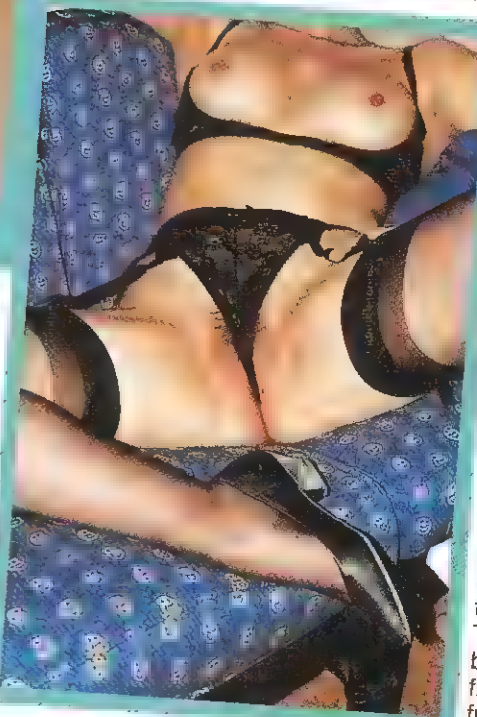

After Chaz left, Lisa and I took a shower together and relived it all in our bedroom.

The whole experience was repeated a few months later but then Chaz found a woman of his own and has now become monogamous.

If anyone else is thinking about it, and thinks it only happens in the magazines, think again. Take a deep breath, ask a friend and get fucking! The photos are so

Now that it's more acceptable for women to pay for sex, 25-year-old Ginette from Durham loves to fantasise about an agency that supplies a very specific need...

LADIES, HAVE YOU EVER HAD A W.I.M.P EXPERIENCE?

How many times have you been told: "size isn't important", or "the vagina adjusts to what's inside it"?

How often do you dream about having sex with an exceptionally well-endowed lover, only to wake up and realise that's all it will ever be: a dream?

Of course, we all love what our husbands and boyfriends do with their lovely, stiff, average-length cocks. But, every now and then, how many women hanker for that little extra – a little more width, a little more length – for that completely filled-to-the-brim feeling?

Well, now that's exactly what you can have, thanks to W.I.M.P

(Women In need of Massive Penetration).

W.I.M.P is a highly professional, utterly discreet agency dedicated to giving its specially selected female clientele complete physical satisfaction.

All our operatives are young men aged between 21 and 35, handpicked for their attractiveness, intelligence, sensitivity and exceptional physical endowment. Each of them has completed our unique diploma course in female sexual psychology and the unrealised erotic potential of the female body. They are also highly qualified in all forms of massage.

Go on, girls, spoil yourself. We know you deserve it, even if your

Listen to what our thrilled and highly satisfied clients have to say:

Wendy, 26, Newcastle: 'Thank you, W.I.M.P for one of the most sensual and beautiful evenings of my life. I fantasise a lot about the extremely well-built athlete called Hunter on TV's *Gladiators*. Carl, my W.I.M.P guy, could have been his twin!

The blonde grunts and gasps as he inserts a fingertip in her opening, then two. 'See,' the broad man beams. 'Almost exactly the angle of a stiff cock! It's the same all the way up.'

His fingers slip knuckle-deep. The blonde moans as he begins to pump his fingers gently in and out of her. 'But the nicest thing about the doggy fuck,' he observes, 'is that the clitoris can be stimulated at the same time.'

His other hand dives under the blonde's tummy, slipping into the light dusting of hair between her thighs. She jerks violently, her back arches, and she explodes in a flurry of panting breath as the man's hands simultaneously stroke and pump her pussy.

'My husband is so dirty,' the blonde on the sofa purrs, tugging at the dark man's hard-on. 'Don't you think so?'

The brunette's sudden gasp drowns any answer. 'David, you teasing prick! Fuck me *now*!'

The blonde catches her husband's flushed look of excitement. 'Well, go on, darling,' she chides. Rising quickly, she straddles the dark man's thighs. 'Peter's about to give me a good fucking.'

Before he can answer, she has pulled his cock into her thick nest of pussy hair and impaled herself on it in a swift, pelvic downthrust. As she begins to rise and fall, wincing, savouring his thickness as it fills every slick inch of her passage, the broad man slips his cock into the brunette and snaps into a fierce, panting rhythm, his thighs slapping loudly against the wobbling cheeks of her rear...

trick on me. None of my boyfriends seemed that large even when they were extremely aroused! Then, as I stroked him, he began to stiffen and fatten and get much much longer. After that I just couldn't keep my hands off him.

'The poor man had to leave the restaurant holding his jacket over his waist or he'd have been arrested for indecent exposure. I made him take me straight to the nearest quiet spot with a lamp post so I could see him properly.

'His penis was enormous, but not in an ugly, purely sexual way; his cock was a lovely shape, smooth, straight and warm with a beautifully shaped silky knob oozing a drop of excitement moisture. A musky, manly smell rose off him, and holding him in both hands, feeling him throb against my fingers, made my heart beat so hard I thought I'd have an orgasm on the spot!

'Then we kissed and I couldn't stop myself rubbing him between my legs. Then he lifted me up as if I weighed nothing and set me down astride his cock so it was sticking up under my crotch right against the gusset of my knickers. As we kissed again, I pressed my thighs together over him, squeezing and rubbing him.

'Then he gave this glorious twitching jerk, my heart hammered and to my utter amazement I actually felt myself coming! That was when he couldn't restrain himself any longer. I felt this great, wet explosion between my thighs, and we were clutching each other and rocking together, lost in the most incredibly romantic, orgasmic bliss.

'Of course, I'd love him to fuck me properly one day, but I'd need to build up to that gradually and I'd always be afraid my boyfriend would find out!

Mrs O.L., 34, Redhill: 'I cannot thank you enough for the wonderful evening arranged for my three friends and I at

my home recently. The presentation given by our W.I.M.P guy, Brian — "Coping with the Extra Large Penis: a practical course for women" — was everything we could have wished for and left four women completely satisfied, not to say exhausted!

'We were all nervous taking our clothes off in front of each other, let alone a blond hunk like Brian, but he quickly put us at our ease by stripping himself in the most natural and relaxed way. And let me say, he had one of the most attractive male bodies I have ever seen, and I mean all over.

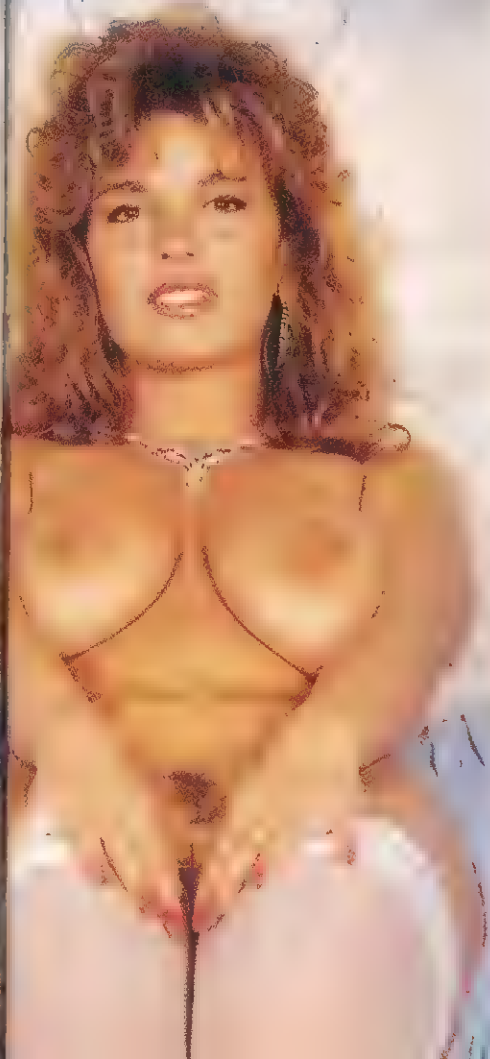

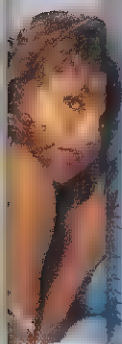

'He then thrilled and delighted us all by getting the most gigantic erection before we had all dropped our knickers! But what impressed us all even more was his astonishing self-control and complete lack of embarrassment. Not only did he allow us to fondle and stroke him as much as we wished (including one enthusiastic lady who insisted on massaging him between her breasts!), he gave us ample opportunity to improve our techniques of oral sex by letting each of us lick and suck his delightful penis for as long as we needed, and take as much of his cock into our mouths as we could.

'Frankly, after such a demonstration of staying power, I didn't expect Brian to go further. But he did! He climaxed the evening — literally! — by demonstrating a different intercourse position with each of us, each more exciting than the last. Fortunately for me I was number four! I honestly did not believe I was capable of taking a penis as large as Brian's, but his patience, sensuality and enormous expertise show me how wrong I was and rewarded me twice over. Firstly with the most wonderful climax, and then with Brian's "special gift for the hostess" when he admitted he was dying to spurt inside me, and I had another climax as he did! **E**

sion it was purely a substitute for his cock, and I didn't even switch it on. Instead, I let my pussy do the talking as it greedily sucked it in. But I couldn't take the brakes off entirely yet because Barbara was whimpering in confusion as Jeff turned her over and spread her out on her stomach.

'I gave her a reassuring smile and a squeeze of the hand, and she buried her face in the pillow and moaned in delight as Jeff shoved his meat up her from behind and began to slam against her quivering bum. Judging by the noises the pair of them were making, there was no time to lose if I didn't want to come in third, and my pussy was getting an even harder pounding than hers when she let out a muffled shriek and tried to slam her legs together. Jeff let her do it, but the ecstatic look on his face changed to one of surprise as his final thrust coincided with a powerful clench of her muscles and his jerking cock slithered out of her. He frantically tried to stuff it back in, but the last thing I saw before my own second orgasm of the night ripped through me was a cascade of white blobs from my husband's jerking cock splashing onto her bottom and the backs of her thighs.

'It seemed like poetic justice to me, but it didn't put her off, and she wants to do it all again. I might even agree to it. After all, Jeff would have to let *me* even the score again afterwards, and Tony really does have a nice cock!'

Melissa from Cheshire is 22, 36-25-38, and an *Escort* reader since meeting her boyfriend Craig who buys it. He took the video on Saturday after coming home a muddy football game. "I ran the bath for myself then Melissa got in it, she said she was trying to get my attention. I took the video then I got into the bath with her and it went all over the floor..."

We've always supported the stocking, and now they're marching all over the high street! In order of appearance: seamed stockings in white or black, £2.45 from John Lewis Partnership. White lace-top hold-ups, £3 from Marks & Spencer. Red sheer £1.40, and Fishnet, £2.95, both

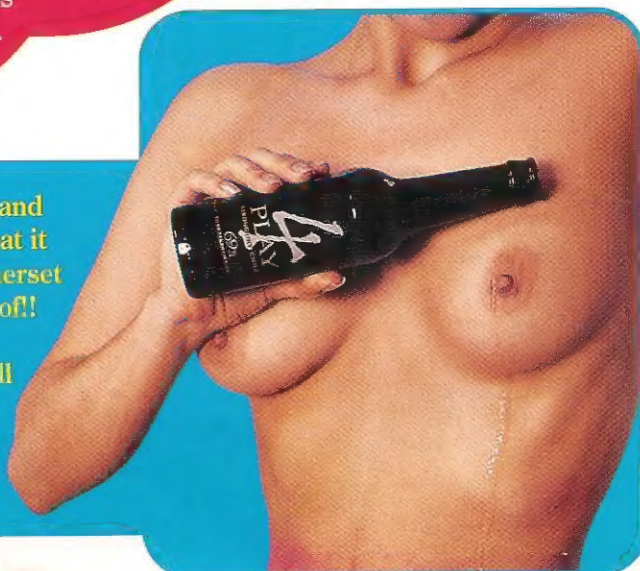

from John Lewis Partnership. 'Reflections' in black or tan, £2 from Marks & Spencer.

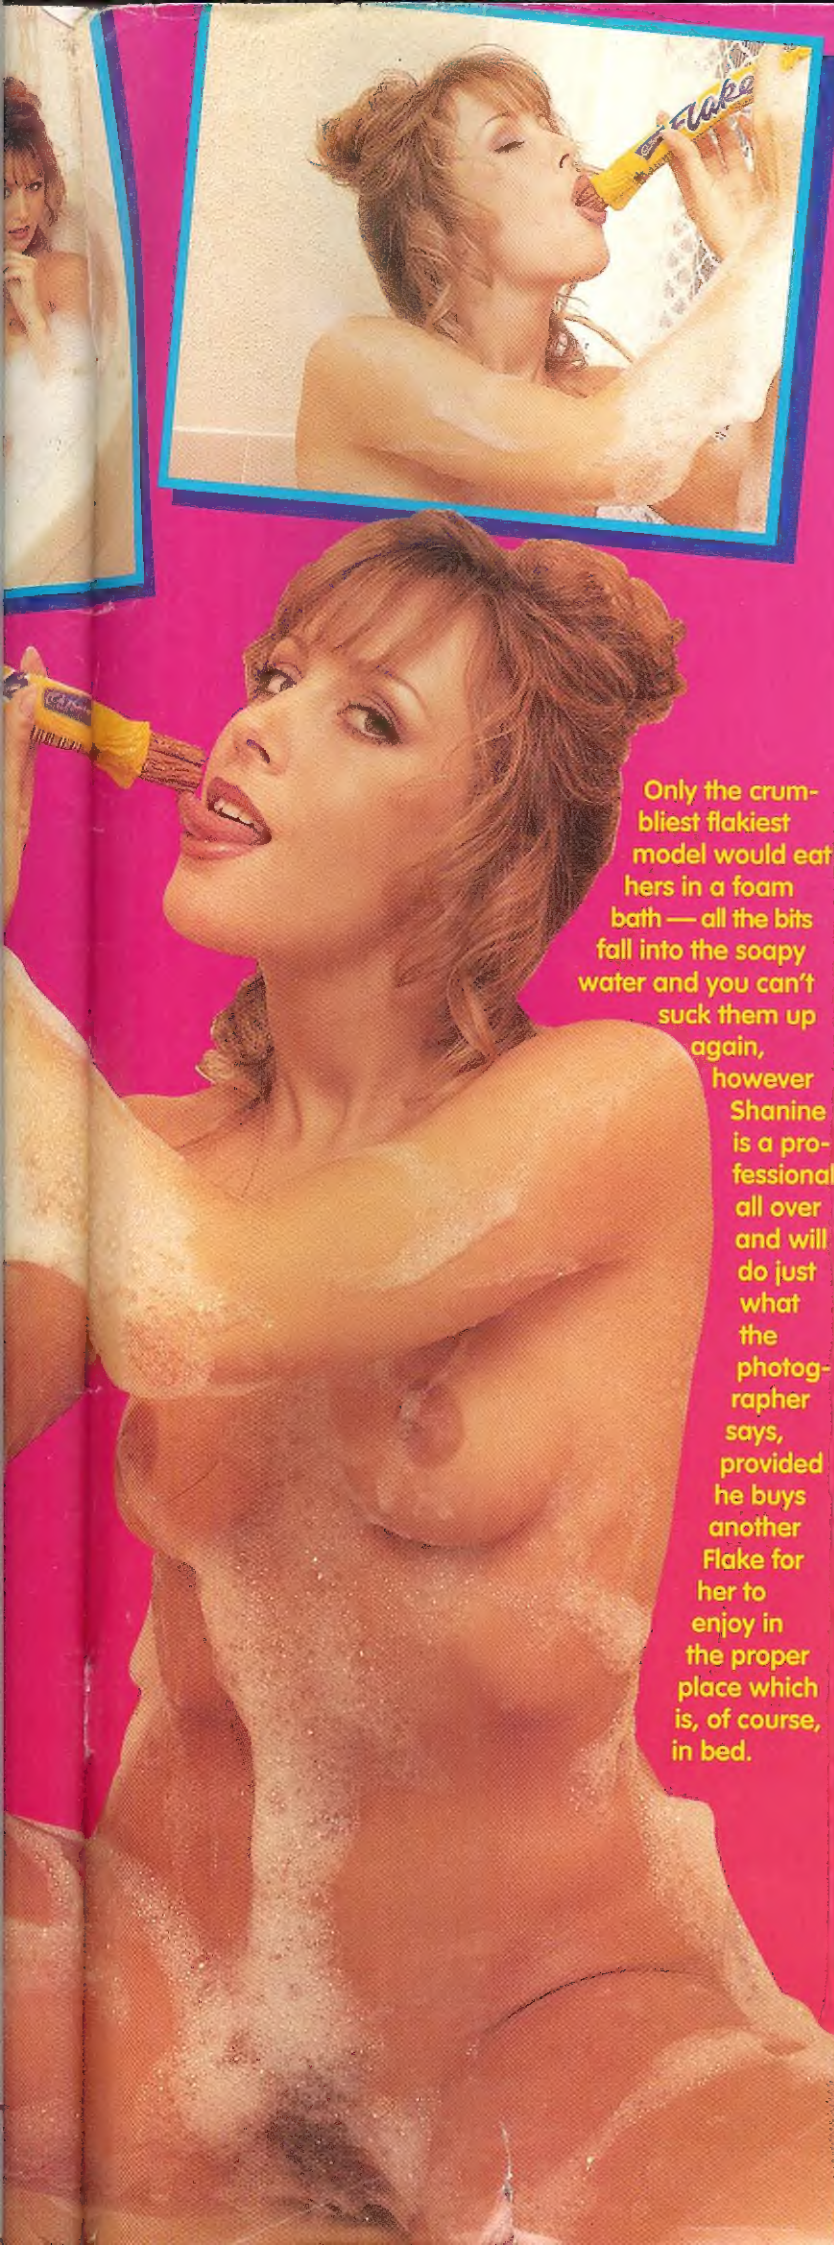

Enjoying a huge popular comeback is the Wonderbra, which gives even the slimmest figure a cleavage like the Cheddar Gorge. A late development is the satin version (in black or white satin at £16.99), 64% nylon and 100% sexy. (Our Miss Jones keeps falling out of hers but then she does bend down a lot - that's one of the reasons why we employ her.) The slinky Wunderbar is available at Debenhams, Dorothy Perkins, Hennes, Miss Selfridges, and all good undie stores nationwide.

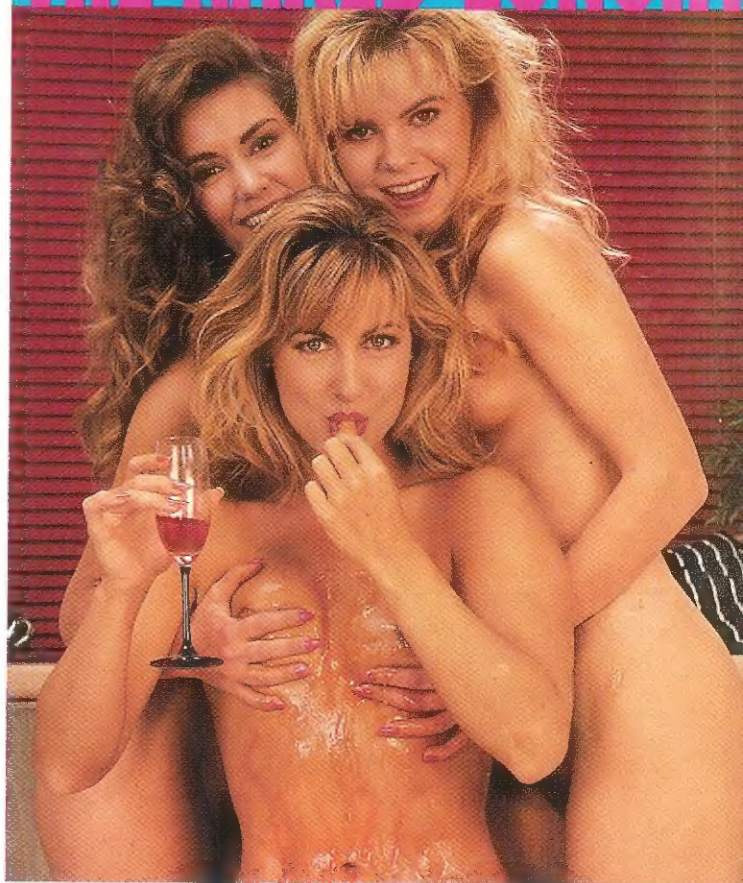

Recent surveys show a growing taste for cider, and women often choose it rather than beer, but treat it with respect: this one comes from Ye Olde Somerset Cider Mills, it's called 4 Play, and it's 6.9% proof!! 'To be taken orally' is the instruction on the bottle, but if you quench a thirst with this, you'll have had it (and you won't remember if you've had it or not). £25 for 24x275ml bottles (inc. p&p). Ring to order on (0452) 310982.

Only the crumbliest flakiest model would eat hers in a foam bath — all the bits fall into the soapy water and you can't suck them up again, however Shanine is a professional all over and will do just what the photographer says, provided he buys another Flake for her to enjoy in the proper place which is, of course, in bed.

JULIE'S SEXCAPADE

My wife Julie is 42, and 34-24-34 and a proud mother of two. We have been reading this excellent magazine since its launch and cannot wait until each next crisp new issue comes out. The magazine keeps getting better every

month. However, we have tried to get Julie's photos into the magazine a few times but have been unsuccessful. She now feels she's getting too old as you don't seem to get many readers wives photos where the wife is over 40.

Anyway, the reason for

writing, apart from getting her pictures in, is to relate to you a recent 'sexcapade.'

We had gone for a drive up to Keilder Forest and found a secluded road which lead up to a clearing. We parked the car and started to take some pictures. **Julie was getting more and more worked up. She slipped one finger inside her moist pussy and then another until she had four fingers in her juicy hole. I've never seen her so worked up before. I can only say that as she gets older she gets more horny.**

She said she was thinking about me sending some photos into *Escort* and all the readers, male and female having a wank over her photos. Finally, **I couldn't take any more of her teasing, so she climbed on top of me, sitting in the passenger seat of the car. She was driving me absolutely wild.**

After a few minutes I noticed a four-wheel drive jeep slowly approaching us and when I told her she started bouncing her juicy cunt onto my throbbing tool even harder. She said that if they were coming up here they obviously knew the area and were probably up to the same as us so she decided to give them a

show.

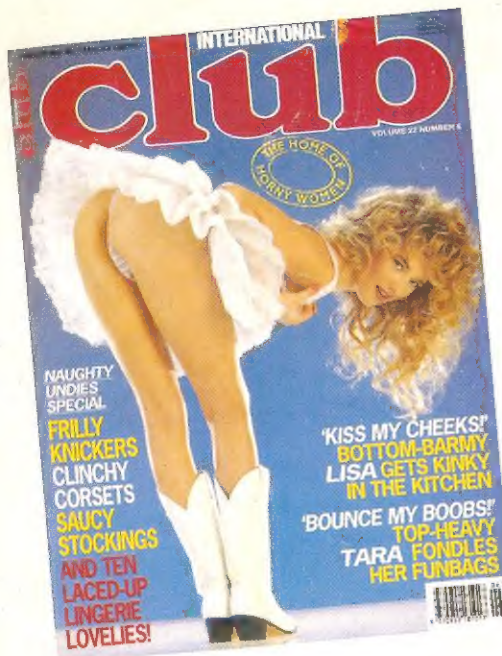

Then she finally said she was coming, and let out a torrent of come. I was absolutely out of it. I'd never seen her come like this before. Her cunt was awash. It was running out of her and down my throbbing cock until I couldn't hold back any more. I pulled out of her juicy cunt and came all over her.

Julie doesn't ejaculate like this all the time, however, there are a few occasions since when we have had to change the sheets before going to sleep but that's another story.

She would love to read in the magazine what the readers would like to do with her – and especially the female readers as she would like to be introduced to female love. *Mr & Mrs B., Newcastle* **E**
